

SKIPTON BUILDING SOCIETY BOARDROOM

Location: Skipton

Contract Period: 4 Weeks

Services:

Skipton Building Society appointed Ultimate once again to design, fit out and furnish the Executive Boardroom and Meeting room.

The existing boardroom was dated, with dark walnut furniture and purple furnishings. The client's brief was to bring the two rooms into the 21st century by using modern materials and AV compatible furniture with a light and slender feel- making the spaces brighter and timeless.

The work undertaken consisted of partitioning, acoustics, electrical, audio visual, decorations, flooring, loose and fixed furniture and artwork.
